

Ohio Administrative Code Rule 4733-39-07 Exemptions.

Effective: April 15, 1983

Corporations which were granted a charter prior to August 7, 1943, to engage in providing engineering and/or surveying services, or were otherwise lawfully providing engineering and/or surveying services prior to November 15, 1982 are exempt from the requirements of these rules. Professional associations which comply with Chapter 1785. of the Revised Code and were incorporated prior to November 15, 1982 are also exempted.
